Tomb of the Unknown Soldier

Replica project of the Exchange Club of Rome (GA).

This 1/2 scale replica is owned and managed by the Americanism Committee of the Exchange Club of Rome, Georgia, and is available to for exhibit, with certain requirements. It is the hope of the Exchange Club of Rome and the National Exchange Club that the sacrifices of our men and women in uniform are never forgotten, for without their supreme sacrifice of their lives, and in the case of the unknowns, their identity, our way of life would not be possible! The Tomb is such a powerful reminder of the tremendous courage and sacrifice that has created and continues to sustain our treasured Freedom.

Southwest Georgia Regional Fair

Oct 24-29th

Presented by American Legion Post 30 Albany, Georgia

The Field of Crosses and Field of Flags pay tribute to the brave service personnel who lost their lives from World War I to the present, from Dougherty and Lee Counties. Each cross in the Field of Crosses represents a life lost in service to our country, and every flag in the Field of Flags reflects the sacrifices made in defense of our freedom. As you walk along the rows of crosses, we are reminded of the ultimate sacrifice made by these brave men and women. We owe them our gratitude and respect for their service and sacrifice. Each cross and flag stands as a testament to their courage, dedication, and selflessness. We invite everyone to come and pay their respects to our fallen heroes, and to honor their memory. This Field of Crosses and Field of Healing Flags is a powerful reminder that freedom isn't free, and that we owe our liberty to those who were willing to lay down their lives for the greater good.

Exchange Club of Albany Southwest Georgia Regional Fair, we want to take a moment to recognize the brave men and women who have sacrificed everything for the sake of our freedom. We are forever indebted to their service and dedication to our country. Today, we want to honor their legacy by paying tribute to two powerful programs that remind us of the true cost of freedom. These programs serve as a reminder that our freedom was not free and that we must never forget the sacrifices made by our heroes. Join us in honoring our veterans and ac-

Demolition Derby

Kidz Derby, Small, Large Cars, Modified Cars

Get ready for an unforgettable night of high-octane action at the Demolition Derby! Starting at 7 p.m. on Saturday, October 28th, the pit area will come alive with the thundering roar of engines from three different classes of cars. These metal matadors will then make their way to

the steel-walled arena to face off against each other and destroy the cars they have poured so much effort into. The competition will be fast and intense, with only one car left running in each class.

But the excitement doesn't end there! The Kidz Derby is also a must-see event, as little ones get behind the wheel of their battery-operated cars and try to pop balloons. This is a show that the whole family can enjoy together.

Don't miss out on the adrenaline rush of this amazing spectacle. Be sure to mark your calendars for the car demolition derby
