EXC of Albany Demo Derby Rules & Regulations

1. All drivers, mechanics and spectators entering through the Pit Gate MUST sign a waiver and release of liability and indemnity agreement at registration table before entering pit area with your Derby Car.
2. All drivers 18 years & older must fill out a registration form with car/driver and sponsorship info for judges and announcer. NO DRIVER UNDER 18 ALLOWED.
3. Only vehicles towing a car or pit trailer allowed in the pits. All spectators' vehicles must enter through the main gate.
4. Driver and one support person will be admitted free. All others must pay entry fee except children under 48 inches.
5. NO ALCOHOL ALLOWED.
6. All drivers must attend the drivers meeting.
7. All cars must make contact with another MOVING car within 60 seconds. Timed out and/or non-moving cars DO NOT qualify.
8. Buddy system or sandbagging may result in Disqualification. Hits must be AGGRESSIVE, simple contact within the 60-second time limit is not permissible and will lead to Disqualification.
9. Hitting in the DRIVER'S DOOR or HEAD-ON crashes will lead to Disqualification.
10. All Rules & Regulations must be observed.

The following rules apply to both BIG CARS (over 110" wheelbase and any motor) and SMALL CARS (110" and under wheelbase 6 OR 4 cylinder ONLY)

1. Any front or rear wheel drive automobiles are allowed, however, **NO** trucks, jeeps, hearses, ambulances, limousines or 4-wheel drives allowed.
2. All glass, trim, fiberglass and plastic nose pieces, hub caps, external mirrors and trailer hitches must be removed.
3. Interior and truck area must be clean of all debris.
4. Seatbelts, Eye Protection, and **Helmets are MANDATORY**. Shoulder Harness, neck braces and fire extinguishers are **recommended** for YOUR SAFETY.
5. Suspensions and Frames are to remain stock. NO ADDITIONAL BRACING or WELDING ALLOWED, including Strut Towers on Small Cars.
6. Automobiles must have Free Suspension Movement 3 inches Up and Down, front and rear.
7. Frame heights front and rear must be the same. THIS WILL BE STRICKLY ENFORCED.
8. Factory Passenger Car Bumpers and Brackets Only! NO TRUCK OR AFTERMARKET BUMPERS ALLOWED. No reinforcements to bumper itself allowed. You can weld bumper shocks and brackets to bumper and the frame with No Additional Bracing Allowed. Bumpers may be cut flush with body but must be straight cut and not sharp or jagged.
9. Doors must be welded, bolted or strapped closed. If you elect to weld you doors, you may use a 2"x3"x1/8" plate every 10" ONLY.
10. Hood and Deck lid must be bolted or chained ONLY, but must be accessible and opened for inspection. Hood must have a 12" hole in center of hood.
11. Fender wells may be cut 2" above tires.
12. Drivers door may be reinforced on outside with 2"x6" channel from door post to door post.
13. All cars must have at least 3 windshield bars (1/2") or straps (1") from roof to dash in front of driver.
14. Halo Bar and Dash Bar MANDATORY for Small Cars and recommended for Big Cars. Cages are recommended for both sizes. Cage must be floating, welded to sheet metal ONLY with a maximum of 4 bars if dash is removed and 3 bars if dash is left in place.
15. Any radiator is allowed (water only) but must be mounted in stock location.
16. Motor and Transmission of your choice must be in stock location. You may chain or weld motor and transmission brackets to keep in place. No engine cradles allowed. (Do Not strengthen the frame)
17. Exhaust alterations must be vertical only. No exhaust is to be ran through inside of car.
18. Battery must be moved into driver's compartment front floorboard, strapped and covered.
19. Gas tank is to be removed and discarded. Fuel cells are recommended but not mandatory. NO MORE THAN a 6 gallon gas tank. Tanks must be protected and strapped down onto back floorboard.
20. All components (except electrical components, gas tank, battery, and transmission shifter) must be in original location.
21. Factory Passenger Car Rear Ends ONLY (4 & 5 lug).
22. All cars will have at least a 20" number on BOTH doors and dual number plate (12") on top of the car.
23. 14 inch or 15 inch passenger tires and rims ONLY are to remain Stock with NO modifications. No sidewall protectors. Must have visible DOT on tires. You may run one tube only in each tire. NO SOLID TIRES, AIR ONLY.
24. Rules will be STRICKLY ENFORCED.
25. Anything left out of the rules will be left up to the decision of the officials. ALL decisions are Final.
26. If you Do Not Pass Inspection and Do Not Run, your entry fee is Forfeited.
